Title: PAPER HANDLING AID

CORRECTION TO APPLICATION TEXT

This paper is filed in response to the Notice Of Non-Compliant Amendment dated July 19, 2005 and a telephone conference with the Examiner on July 21, 2005. The Notice and subsequent telephone conference with the Examiner indicated that the Patent Office copy of the Specification and Claim 8 were improper because of several instances of the letter "e" being missing from words. This paper corrects the spelling problems.
